COSA DICE GOOGLE DI QUESTO LIBRO?

And, of course, even after two road trips through this part of the country, there are still a ton of spots in the Southwest that I still haven't seen!

The Photographs of Adam Clark Vroman, 1895-1904. Between 1895 and 1904, Adam Clark Vroman photographed the landscape and native peoples of the American Southwest.

Published by Damiani, 2012. New York native Dan Martensen began taking road trips to the American Southwest in 2001, drawn to the beautiful decay of...
